

**PREPARE
TO BE
FEARLESS**

CRICKET GEAR 2021

I'M NOT AFRAID TO STAND UP TO ANYONE

I can face a speeding ball and not flinch. I can hold a bowler's stare and not blink.

In the heat of battle, reputations can be built or destroyed in the blink of an eye.

But I never surrender to pressure - or to mind games.

My crease is my domain and my eleven opponents are no match for me.

I like setting targets, chasing targets and being the target.

I'm not afraid to be the hero or the villain.

I will stand strong, even when teammates fall.

My game is bold, brave and rebellious and I have 40 years of heritage behind me.

*I am DSC. **I am Fearless.***

SOME CALL IT PROTECTION I CALL IT ARMOUR

DSC range of gloves are designed with FRP - Fiber Reinforced Protection to offer the highest protection during contact. They're also lightweight and extremely comfortable so you can wield your bat freely at the crease or be quick-handed behind the wickets.

Take safety into your own hands with DSC gloves.

BATTING GLOVES
